The changes must be in writing in the form of a letter on the shipper’s letterhead, or a corrected Bill of Lading both of which require written authorization from the consignee as well. Carrier will assess a charge of \$31.25 each time a correction is made at the request of the shipper and/or consignee. Each request can contain more than one correction by the shipper. This charge will apply in addition to all other rates and charges found in CNWY 199 and CNWY 350 or other rating or pricing agreement between shipper and Carrier. No changes will be accepted that increase Carrier’s liability regarding loss or damage.

Item 750

Once the shipment has been tendered to an ocean Carrier, any request for the reconsignment or diversion of a shipment will be subject to the following definitions, conditions, and charges:

(1) **DEFINITIONS OF RECONSIGNMENT OR DIVERSION:**

For the purpose of this rule, the terms “reconsignment” and “diversion” are considered to be synonymous and the use of either will be considered to mean:

- (a) A change in the name of the shipper or consignee.
- (b) A change in the place of delivery.

(2) **CONDITIONS:**

- (a) Requests for reconsignment must be made in writing from the shipper, consignee or their authorized agents. The Carrier must be satisfied that the party making the request has the authority to do so. If an agent of the shipper or consignee makes a reconsignment request, then in addition to the standard written request, the third party needs to include that they are making the request as an agent of either the shipper or consignee. Conditional or qualified requests will not be accepted. Carrier will not accept disposition instructions printed on the Bill of Lading, shipping label, shipping order or container as authority to reship, return or reconsign a shipment.
- (b) Carrier will make diligent effort to execute a request for reconsignment, but will not be responsible if such service is not effected.
- (c) All charges applicable to the shipment whether accrued or accruing must be paid or guaranteed to the satisfaction of the Carrier before reconsignment will be made.
- (d) Only entire shipments, not portions of shipments, may be reconsigned.
- (e) An order for reconsignment of a shipment governed by an Order Notified BOL will not be considered valid, unless and until the original Bill of Lading is surrendered for cancellation, endorsed, or exchanged.
- (f) Marking or tagging of the shipment to incorporate new address will be performed by Carrier, subject to instructions provided by party requesting the changes.
- (g) Reconsignment will NOT be permitted on “In Bond” shipments.

(3) **CHARGES:**

Reconsignment as defined in Paragraph (1) will be subject to the following:
