

## Strong growth dynamic in H1 2007

### NORBERT DENTRESSANGLE GROUP

Consolidated revenue in EUR m	H1 2007	H1 2006	Change	Like-for-like change
Transport	557	505	+10.3%	+10.0%
Logistics	319	291	+9.6%	+5.6%
Group Total	876	796	+10.0%	+8.4%

Norbert Dentressangle Group recorded a strong growth dynamic in both of its businesses over the first half of 2007, both in France and overseas, most notably winning new contracts. Activity was up 10%, in line with targets. Excluding the integration of the Romanian transport company, Transcondor, the Spanish logistics company, CCH, and the Romanian logistics company, Northern Distribution and Logistics, located in Bucharest, consolidated revenues increased by 8.4%.

The Group is confirming that the results for the first half of 2007 will show a significant improvement in recurring operating income on the same period last year.

Over the first half of 2007, Norbert Dentressangle Group continued its work on sustainable development by respecting the commitments of the Challenge 2008 business plan. With 1,800 Euro 4 vehicles at the end of 2007, the Group will have the largest fleet in Europe which meets the strictest environmental standards. The number of Group sites which are ISO 14001 certified continued to increase and eight sites were recently certified in Italy. Over half of the Group's logistics activity is currently carried out on ISO 14001 certified sites. There have also been continuing efforts in terms of integration, social advancement and road safety.

Next publication: Results for H1 2007 - August 31st 2007.

***Norbert Dentressangle Group is a major player in Transport and Logistics in Europe and is listed in Category B of Eurolist and the CACMid100 index. With 14,700 employees in 13 countries, the Group develops high value-added solutions for its customers in both of its businesses. Thanks to its efforts in terms of sustainable development, the non-financial ratings agency, BMJ Ratings, awarded the Group an AA= rating.***
